

OAML Scholarships are available to residents of Ontario who have completed at least one year in a full-time program of studies at a community college or university in Ontario leading to certification as a Medical Laboratory Technologist or to a Bachelor of Science or Bachelor of Health Sciences degree in medical laboratory sciences.

The value of the award is \$1,000.00. There are five awards available in the 2008 - 2009 academic year (September - April).

Scholarship Applicants must:

1. Submit a completed application form (available at [www.oaml.com/scholarships](http://www.oaml.com/scholarships))
2. Have completed at least one year in a program of full-time studies in medical laboratory sciences at a community college or university in Ontario
3. Submit the following information and materials for consideration by the scholarship committee:
  - a. a letter of recommendation from a current teacher or instructor, including the address and phone number of the teacher or instructor.
  - b. a description of your financial need in a clear and concise manner on the application form.
  - c. academic transcripts: submit the most recent academic transcript. Marks must indicate an upper level of standing in the class and under no condition be less than 70%.
4. Provide a list and description of extracurricular activities, volunteer activities and awards.
5. Provide a statement describing why you should receive a scholarship and how it will help you.

Scholarship applications are available on-line in MS Word format at [www.oaml.com/scholarships](http://www.oaml.com/scholarships). Completed scholarship applications (in hard copy format) and accompanying documentation must be received at the OAML offices, by close of business (5:00 p.m. Eastern Time) Friday, November 28, 2007. Scholarships will be announced shortly thereafter.

Completed applications and supporting documentation must be submitted to:

OAML Scholarships,  
Suite 710, 5160 Yonge Street,  
Toronto, Ontario M2N 6L9
